- [NCC](#)

# Rushikesh Gaware

## Full Stack Web Developer

### PROFESSIONAL SUMMARY

Innovative Full Stack Developer specializing in Node.js with a strong background in both front-end and back-end technologies. Adept at creating user-centric applications and passionate about leveraging new technologies to enhance functionality and performance. Skilled in JavaScript, Express, MongoDB, and React.

### PROJECTS

#### 1. Urban\_Monkey | 🌐 | 🎨

React | javascript | Chakra UI | html | css | git |

- Implemented seamless user sign-up and log-in functionalities using React.js and Chakra UI for improved user experience.
- Designed and developed intuitive navigation features, ensuring easy and efficient user exploration of the e-commerce site.
- Applied modern design principles to ensure a clean, accessible interface that enhances the overall user journey.

#### 2. Nykaa | 🌐 | 🎨

JavaScript | react | Chakra UI | html | CSS

- Developed intuitive and responsive design using React and Chakra UI, enhancing user interaction.
- Implemented secure user authentication to protect and manage user data efficiently.
- Utilized rigorous APIs to ensure reliable and efficient authentication processes.

#### 3. Personal Portfolio | 🌐 | 🎨

Javascript | bootstrap | html | CSS |

##### Responsive Web Design

- Developed a personal portfolio featuring an intuitive and user-friendly UI, ensuring seamless navigation.
- Implemented responsive design using Bootstrap, HTML, and CSS to support optimal performance across mobile, tablet, and desktop devices.
- Crafted detailed project showcases, highlighting completed projects with descriptions and technologies used.

#### 4. Nifty Project Management | 🌐 | 🎨

JavaScript | HTML5 | CSS3 | Git

- Developed a clean and functional UI, utilizing HTML, CSS, and JavaScript to clone the Nifty Management website.
- Implemented a card-based design to organize and present information effectively, demonstrating strong design skills.
